Maßstab: 1:25000

Auftrag: 2024-292

The map displays the Sieningser Heide region, characterized by its rolling hills and numerous small settlements. Five specific locations are highlighted for wind energy potential, each marked with a red wind turbine icon and labeled WEA 1 through WEA 5. The terrain is depicted with brown contour lines indicating elevation. Major roads, including the L46 and L688, are shown in yellow. The Schledde river and its tributaries are marked in blue. Various landmarks such as the 'Freiher von Wintzigerode-Park' and 'Stadtpark' are also visible. A north arrow is positioned in the upper right corner of the map.
